

Dear Families,

Welcome to the 2017/18 school year and to Pre-K in the Blue and Green Rooms.

We are excited to welcome back familiar faces and to greet newcomers to our Trinity Lutheran Preschool Family.

As we begin a new year, we will explore our classrooms, get to know each other and become familiar with new routines. During our first week of “settling in” we will also explore “All About Me” - our amazing bodies, our differences and similarities, and how we are all one in Christ.

The second week we will celebrate all things “Apples”. We will make our own applesauce, create a taste-testing apple graph , read about- and do art with apples.

Following “Apples” we will embark on a unit on “Creation”. Bible stories, making our very own Creation books and a fine-art interpretation of Kandinsky’s “Creation” are all part of this unit on how God created the World.

In September we will also do an art/dictation project on Charles G. Shaw’s children’s book: “ It looked like Spilt Milk.” With September we welcome Fall with fun projects like “The Color Wheel”. The Color Wheel project involves a nature walk, sample collecting, learning about colors and how we find them in nature all around us.

We will begin our Academic Curriculum, Handwriting without Tears, the second week of school. This week will introduce the letter L , followed by F and E the last two weeks of September. The second week of school we will also send home the Share Bag and The Guessing Jar to the first couple of students.

We look forward to an exciting new year and feel truly blessed that you have trusted us with the opportunity to teach your children through play, science math, literature and sensory exploration.

In Christ , your Pre-K teachers ;

Blue Room: Ms. Emily, Ms Eileen, Ms.Katelyn, Ms.Haley

Green Room: Ms.Hella, Ms Jeanette, Ms. Angelina.

Happy Birthday to:

Blue Room : Aleksander 9/5
Nicholas 9/27

Green Room: Brayden 9/5
Colton 9/6
