Please select the weeks your child will attend and turn in to the office by the **May 15th** for as much of the summer as you can. You will be able to make changes for the next month but we would like to have a 'best guess' by May 15th in order to make a staff schedule.

**Dates for making changes with no change fee: May 20th for June, June 20th for July, July 20th for August**

Make the selection on the last sheet by circling the week and indicating how many days your child will attend as well as full or half day. Keep the June, July and August calendars so you have a record of what events are happening. Only return the last page of this packet.

All of the special events are happening here on our campus except for one field trip to the Santa Barbara Zoo on **June 25th** where parents will transport the child to the location and stay with them for the field trip. The preschool will be closed that entire day. Please see the calendar for that date.

Payment will be automatically withdrawn on the first of the month based on this schedule. If you add weeks or days after the 1st of the month, there will be a 5% charge for the added weeks or days. If you pay for the whole summer by June 1st there is a 5% discount. Please let us know which weeks you would like to pay for each month since there are **13 weeks in the summer**. If you do not specify we will charge you for **weeks 1-4 on June 1st then 5-8 on July 1st then 9-13 on August 1st**.
